Tender no. MFG-527-01-2017

Warsaw, 20 October 2017

õKoleje Mazowieckie - KMö sp. z o.o. with registered office in Warsaw, ul. Lubelska 26, 03-802 Warszawa, hereinafter referred to as the Seller or KM, invites potential bidders to take part in the Tender aiming to dispose of the following components of fixed assets: 15 EN57 series electric multiple units, hereinafter referred to as the Vehicles.

The Tender is registered under no. MFG-527-01-2017. The parties involved in the Tender, hereinafter referred to as the Bidders, must quote the above number in all communications with KM related to the Tender.

The language of the Tender will be Polish. Applications, certificates, notices, contracts and other documents under the Tender will be executed in Polish. If at any stage of the Tender the Bidder submits a document executed in a foreign language, the document will have to be accompanied by a translation into Polish.

#### **I. The subject of the Tender**

1. The subject of the Tender is the intention to dispose of the Vehicles listed in Appendix no. 1 hereto.
2. The only applicable form of disposal of the Vehicles is sale. The Seller will not make the Vehicles available for use for a charge under any rental contracts or other documents.
3. The Seller may accept bids for only some of the Vehicles.
4. The ordering party acknowledges and confirms that the Seller is the holder of ownership rights to all the Vehicles listed in Appendix no. 1 hereto. The Vehicles are not encumbered with any limited property rights nor are they subject to any rental, lease or loan for use contracts.

#### **II. Winning bid selection criterion**

The winning bid selection criterion under the Tender will be the highest price offered for the Vehicle.

#### **III. Information about formal aspects prior to conclusion of a contract**

1. The actual disposal of the Vehicles (conclusion of contracts) will take place after obtaining consents from competent bodies of KM.
2. The winning Bidder will be notified by KM about the place and time of conclusion of the contract in writing.
3. In the sales contract KM will reserve the right to retain ownership of the Vehicles until such time when the buyer pays the full selling price.

#### **IV. Legal notice**

1. The Tender follows the provisions of the Civil Code, including but not limited to Article 71 and 72 of the Civil Code.
2. Bidders who submit a bid will be neither obliged nor entitled to acquire rights to the Vehicles. Bidders may not demand from KM the effecting of any transaction related to the Vehicles on those grounds.

3. At each stage KM will have the right to suspend or terminate the Tender or amend the terms thereof, also without selecting the winning bid, without the need to state the reason. KM will notify the bidders about suspension, termination (without selecting the winning bid) or amendment of the terms of the Tender.
4. This Notice shall be deemed an invitation to enter into negotiations, not a bid under the provisions of the Civil Code. The bids submitted in response to this Notice will be considered preliminary offers of the Bidders that give grounds for further negotiation.
5. Termination of the Tender without selecting the winning bid or amendment of the terms thereof will not give the Bidders the right to make any claims.
6. Each participant in the Tender will be involved in it at its own expense and accepts the terms and conditions set forth in this Notice.
