Transport of animals

Transport of animals

Pets are welcome on board our trains. When you are transporting them, make sure that they stay in baskets, crates, cages, etc., so that they are safe and do not bother other travellers.

An adult traveller with a valid KM train ticket can bring in and transport free of charge:

1. not more than one dog;
2. small domestic animals, carried in suitable containers, baskets, cages, etc., to protect them from harm.

[Terms and conditions of offer § 45 of 'Masovian Railways - KM' transport tariff \(TP-KM\)](#)
