# Family tickets

Family tickets are a great way for cheaper journeys for the whole family. The tickets entitle families to travel using the trains of Koleje Mazowieckie at a 35% discount.

The passengers utilizing this offer may purchase the following tickets with 35% price reduction:

- 1) single fare "there" or "there and back";
- 2) timed zone ticket.

## **Who can purchase family tickets?**

A group of from two to five persons, including at least one child up to 16 years of age.

## **Who is excluded for the offer?**

The family ticket option cannot be utilized by persons holding individual entitlements for reduced-fare travel on trains in class 2. However the above does not include children below 16 years of age who are covered by a statutory discount. Such children may utilize family tickets, however their individual tickets are bought at the statutory discount.

We invite all the families to use our railway connections. It's always better to travel with your family!

Terms of offer § 33 of Transport Tariff „Koleje Mazowieckie-KM” (TP-KM) - with inclusion of change no 1 in force from 1 January 2014.
