

# Trip tickets

Trip ticket can be purchased for 2<sup>nd</sup> class journeys on the Mazowieckie Railways passenger trains according to the timetable on routes of up to 200 km. The trip tickets are available with the following discounts:

- 15% on one-way journey,
- 33% on the "two-way" journey (the same route).

## **The trip ticket entitles the holder to travel on the following terms:**

- journey "one-way" from 20.00 hours on the business day immediately preceding the days off work or on the day off work,
- return journey based on the "two way" ticket on a day off work or no later than 8.00 hours on the business day following the day off work. However, the journey must end no later than 8.00 hours on the business day following the day off work.

## **Additional Information**

- Every Saturday is treated as a day off work.
- The trip ticket can be purchased from the train manager. In case of starting the journey from the station where the ticket office is closed or the specific ticket type is not sold, the train manager does not charge extra for the issue of such a ticket on the train.
- The trip tickets are not issued for zone I of the Warsaw agglomeration.

**The trip ticket prices are contained in the [Appendix to the Transportation tariffs of the Mazowieckie Railways, KM \(TP – KM\)](#).**

The details of Mazowieckie Railways Transportation tariffs (TP-KM) can be found in § 33.
