## **Additional information - named monthly sector ticket**

1. For journeys on the basis of the named monthly sector tickets only that person is entitled to whom the ticket was issued.

2. Before starting the first journey, the ticket holder is required to write legibly in the space provided on the ticket, his name, surname and number of the document with a photograph confirming his identity. The ticket is valid jointly with the identity document. A ticket without entering the above mentioned information is invalid.
3. If the traveller declares that he has a named monthly ticket, but does not show it on the train or has rights to concessions, and shows the reduced ticket, but cannot produce a valid identification document attesting to that right, then refund for (amortisation), paid on the train (declared in the payment notice) as well as the tariff charges and additional fee- following deduction of (penalties) handling charges - can be obtained by way of complaint based on the conditions as described in the Regulations of admission and transportation of people, goods and animals (RP-KM) by the "Mazowieckie Railways-KM". The amount of handling charge is specified in the Appendix to the Transportation tariffs (TP-KM) of the "Mazowieckie Railways-KM".
4. The traveller holding a discounted ticket of 49% or 51% and who cannot produce the document certifying that authorisation, in every case he is required to purchase a single use ticket at the normal tariff (according to TP-KM or special offer) in relation to the undertaken journey. Otherwise that person shall be treated as a passenger without a valid ticket.
5. In the case of checks revealing that the ticket is being used by someone other than the designated person or that the person utilises concessions without authority, the ticket shall be considered as invalid, and that person is treated as a passenger without a valid ticket.
6. The owner of the ticket is not entitled to compensation or a proportional refund in the event of a partial restriction of train traffic.
7. Foiling of tickets, exchange of tickets valid for travel in another sector, or for another train operator or an extension of its validity, is not allowed.
8. For lost, destroyed, wrapped in foil or stolen tickets, charges will not be refunded and duplicates will not be issued, this applies also even if the loss is reported to law enforcement authorities.
9. For travel to / from stations that are located outside of the covered sectors of the special offer, a ticket should be purchased according to the regulations and the prices as specified in the Transportation tariffs TP-KM.
